GCSE MEDIA STUDIES

GENRE HOMEWORK TASK.

Brief.
Refer to your notes on Film Genre and generic conventions. Then refer back to the slides showing different genres and their respective generic conventions. Finally look back over your notes on your consumption of films and your genre preferences. Now answer the following question in essay form.

Question.
“To what extent is genre a factor in deciding whether producers make films and audiences watch films? Try to illustrate your answer with reference to specific genres and specific films.”

Guidance.
You are being asked if studios make films according to certain genre choices.
You are also being asked if audiences choose to watch particular genres.
When making your answer please specify genres and films to illustrate.
Remember PEEL.
Point. Evidence. Explain. Link to question.

Due Date Wednesday 30th September.
