

Changing your password in class charts using the website

Visit classcharts.com

Click on login and select parent from the menu that pops up

Log in

A screenshot of the 'Log in' page. At the top, there are three tabs: 'Teacher', 'Parent' (which is selected and highlighted in blue), and 'Student'. Below the tabs is a text input field labeled 'Enter your email:' with the placeholder text 'Email address'. Underneath is a radio button labeled 'I already have an account'. Below that is another text input field labeled 'Enter your password:' with the placeholder text 'Password (not access code)'. To the right of this field is a link that says 'Forgot password?'. Below the password field are two more radio buttons: 'I don't have an account yet' and 'Remember me'. To the right of these is an orange button labeled 'Log in'. At the bottom of the page are two app store logos: 'AVAILABLE ON THE App Store' and 'GET IT ON Google play'. A blue arrow points from the 'Forgot password?' link to the 'Password reset' page shown in the next image.

Click Forgot password and then enter your email address.

Password reset

We'll email you with instructions on how to reset your password.

A screenshot of the 'Password reset' page. It features a text input field labeled 'Email address'. Below the field are two buttons: an orange button labeled 'Reset password' and a white button with a grey border labeled 'Return to Log in'. A blue arrow points from the 'Reset password' button to the email address field, and another blue arrow points from the 'Return to Log in' button to the 'Log in' page shown in the previous image.

Click reset – you should then be sent an email to your email address like the one shown below.
